there are few books on the topic of humility and of those few most are classics whose authors died many years ago this book is contemporary and tackles an issue that is at the heart of true christianity a book on this topic is refreshing and challenging and deserves a twenty first century treatment

saint benedict s fifth century guide to humility offers the antidote to the epidemic of stress and depression overwhelming modern young adults but the language of the rule by saint benedict is medieval and its most passionate advocates are cloistered monks and nuns how then does this ancient wisdom translate into advice for ordinary people with candor humor and a unique approach to classical art father augustine a high school teacher and coach breaks down saint benedict s method into twelve pithy steps for finding inner peace in a way that can be applied to anyone s life drawing upon his own life experiences both before and after becoming a benedictine monk the author explains every step illustrating each chapter with color reproductions of sacred art that he has embellished with comic flourishes the winsome combination is sure to keep readers from taking themselves too seriously which is already a first step on the path to humility

because god has given gifted writers to the church it is important to study what they have taught this study guide on humility the beauty of holiness by andrew murray is designed to help the reader review what mr murray has written on the all important topic of humility reflect and discuss the ideas he sets forth make personal application when possible and memorize some of the scriptures that the book expounds by answering the questions in this study guide you will better appreciate what andrew murray wrote about in his famous work on the topic of humility here then is a must have for church groups family devotions or even personal study if you truly want a deeper appreciation for the biblical teaching on the topic of humility

because god has given gifted writers to the church it is important to study what they have taught this leader s guide on humility the beauty of holiness by andrew murray is designed to help the reader review what mr murray has written on the all important topic of humility reflect and discuss the ideas he sets forth make personal application when possible and memorize some of the scriptures that the book expounds the questions and answers in this

leader's guide will help you better appreciate what Andrew Murray wrote about in his famous work on the topic of humility here then is a must have for church groups family devotions or even personal study if you truly want a deeper appreciation for the biblical teaching on the topic of humility

pride and humility a guide to better understanding yourself and others was written to help people discover where pride has infected their life and how to develop humility instead the study spends six weeks taking an honest look at six varieties of pride including the pride of self sufficiency the pride of rebellion the pride of insecurity the pride of stubbornness the pride of superiority and the pride that is not a sin following this journey six weeks are spent contemplating what it means to grow in humility

the handbook of humility is the first scholarly book to bring together authors from psychology as well as other fields to address what we know and don't know about humility authors review the existing research in this burgeoning field that has well over 100 empirical articles and an increasing trajectory of publication this work should form the basis for research in humility for many years in this book chapters address definitions of humility that guide research authors also reflect on the practical applications of humility research within the areas they reviewed the book informs people who study humility scientifically but it is also an exceptional guide for psychotherapists philosophers religious and community leaders politicians educated lay people and those who would like to fuel an informed reflection on how humility might make interactions more civil in relationships organizations communities political processes and national and international relations

explores various concepts of christian humility in late antiquity looking closely at some of the ways humility has operated as a relational value in specific contexts involving ascetic women

no religious or mystical tradition is immune from the presence of spiritual abuse for wherever there are people who are seeking to become closer to essential truths purpose and meaning there will be individuals seeking to generate counterfeit currency to offer to those who are unaware or incautious toward the dangers which lie in wait along the spiritual path fraudulent teachers might call themselves a guru shaykh rimpoché monk priest imam apostle avatar or minister they might also call themselves educators revolutionaries political leaders and freedom fighters whatever they might call themselves if they seek to gain control over others through techniques of undue influence then they are propagators of spiritual abuse this book is relevant to individuals from all spiritual traditions but often focuses on the sufi spiritual tradition

this classic series combines the author's translation of scripture with a complete bible commentary arranged according to the numeric patterns found in god's word
